Bulk Trash Schedule for 2010 - See Calendar for Schedule

Bulk trash consists of items that are too large for regular household trash collection. If you require a bulk trash pickup at another time during the year other than regularly scheduled pick ups, please call DPW to arrange for a special pick up.

Leaf Collection

Please do not rake brush and leaves together. Residents who live on high-traffic streets are encouraged to place their leaves in biodegradable bags provided by the borough at resident's request.

Snow Plowing

- When it snows move your car off the street.
- When shoveling your driveway, shovel out a pocket on the side of the driveway nearest to approaching traffic.
- DPW will continue plowing throughout the entire snow storm until the streets are cleared to the edge of the roadway.
- You may have to reopen the end of your driveway more than once.
- When clearing sidewalks, do not throw snow in to the middle of the street as this hinders plowing and impedes the safe flow of traffic.

Free Compost/Mulch Available

Sample compost/mulch sheds are located at Memorial School, Meadowbrook School and Woodmere School. If more is needed, please contact the office of DPW.

Stormwater Regulations

The following should never be dumped down storm drains, road gutters or catch basins: motor oil, pet waste, grass trimmings, leaves, debris and hazardous chemicals of any kind.
