

The Eatontown Green Team has proposed an exciting plan for an Agricultural Center on Green Acres Open Space land on Grant Avenue, across from Husky Brook Park. The first phase is a community garden to be followed by on-site educational programs, an apiary (bee yard), and special community vegetative areas. Join in on this “groundbreaking” project!

**ALL WELCOME TO PARTICIPATE –
INDIVIDUALS, FAMILIES, ORGANIZATIONS, VOLUNTEERS**

No experience necessary!

**Garden Plots are 4’ x 10’
\$15 each**

Season: April 1 to Nov. 1, 2015

- Serve a salad made of veggies YOU grew – tomatoes, cucumbers, zucchini, sunflower seeds!
- Picture a bouquet of colorful flowers handpicked from YOUR garden!
- Enjoy digging, planting seedlings, watering, weeding and watching YOUR plants grow!
- Learn from Master Gardeners who will be available for helpful advice!
- Volunteer to help those in need and get to know your community better!
- Have fun! Socialize, share tips with fellow gardeners, meet your neighbors!
