

Be SAFER...STRONGER...BETTER PREPARED

Join the Solution

What is CERT?

The **Community Emergency Response Team (CERT)** Program educates people about disaster preparedness for hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations. Using the training learned in the classroom and during exercises, CERT members can assist others in their neighborhood or workplace following an event when professional responders are not immediately available to help. CERT members also are encouraged to support emergency response agencies by taking a more active role in emergency preparedness projects in their community.

Why should you join CERT?

CERT allows you to meet new people and become a valuable asset to your community. In addition, you will learn new skills that prove valuable in any emergency situation as well as in everyday life.

Learn How to:

- Assist victims
- Aid emergency responders
- Apply basic medical techniques
- Build a sustainable shelter
- Extinguish small fires
- Perform a safe evacuation
- Identify and anticipate hazards
- Conduct light search & rescue
- Reduce survivor stress

If you are 18 and older and are interested in joining Eatontown CERT please contact:
